Section 2. Transfer of Membership. Notwithstanding the foregoing, Declarant may at any time assign, pledge, hypothecate or alienate its membership and/or Declarant's rights as Declarant herein, but any transfer by Declarant of title to a Unit shall automatically transfer the membership in the Association appurtenant thereto, free and clear from any such assignment, pledge, hypothecation or alienation. (c) The Association shall maintain and pay for common garbage collection areas and facilities, and may prescribe such regulations as are appropriate relating to the

use and maintenance of such facilities. Separate garbage facilities may be established for Retail Units, and Retail Units may be assigned Assessments from time to time as adopted by the Board relative to their anticipated garbage or other waste production.

(d) The Association shall provide for the maintenance, care, repair, and replacement of the following portions of the Townhome Units: the exterior landscaping (except such landscaping installed by, or on behalf of, the Unit Owner and such landscaping enclosed by a fence, if any), walkways, and porches located upon or about each Townhome Unit. The Association also shall maintain the exterior of each Townhome Unit as follows: painting, maintenance, and nonstructural repair of exterior building surfaces as the Board shall deem necessary and proper, including roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, replacement of trim, caulking and other repairs to roof covers (to include the repair and replacement of all non-structural components of the roof of each Townhome Unit), and other miscellaneous repairs of a nonstructural nature. Such exterior maintenance shall not include glass surfaces (weather windows or sliding glass doors), HVAC equipment, storm doors, front or rear entry doors, garage doors, fences, screens, or patio covers. The balance of the improvements located on the respective Townhome Units shall be maintained by the Owner of the particular Unit involved. For the sole purpose of performing the exterior maintenance upon each Unit required by this Article IV, Section 1, the duly authorized employees or agents of the Association shall have the right, after reasonable notice to the Owner, to enter upon any Unit and into any Unit at reasonable hours of any day.

(i) Notwithstanding the foregoing, if the need for exterior maintenance and repair of Townhome Units by the Association as required by this section is caused by the willful or grossly negligent conduct or act an Owner, his/her family, guest, invitees, or other Persons using or occupying his/her Unit with his/her express or implied permission, the cost of such repair or maintenance may be assessed against such Owner as a Special Assessment of this Declaration upon a finding by the Board, which shall be due and payable thirty (30) days from the date of notice thereof, such Assessment to be collected and enforced as provided in this Declaration. Such Special Assessment shall not require the approval of any of the Members; provided, however, that any Owner against which any such Assessment is levied shall be entitled to notice, a hearing at a time and place set by the Board in its sole discretion, and an opportunity to do the corrective work required (provided that the work is performed by a competent contractor mutually agreeable to both parties and in a manner and quality agreed to by the Board), prior to a Special Assessment being levied against such Owner in accordance with the provisions of this subsection.

(e) Flats shall be Units located within one or more buildings, as set forth on the Plat. The Association shall provide for the maintenance, care, repair, and replacement of the Common Areas, including exterior landscaping, walkways, and porches, painting, maintenance, and interior hallways, and repair of exterior building surfaces as the Board shall deem necessary and proper, including roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, replacement of trim, caulking and other repairs to roof covers (to include the repair and replacement of all components of the roof of each such building), and other miscellaneous repairs. Such

exterior maintenance shall not include glass surfaces (weather windows or sliding glass doors), HVAC equipment serving only one Unit, storm doors, entry doors, screens, or patio covers, or any finishes, fixtures, cabinets, appliances, flooring, or other improvements within a Unit whether installed or supplied by the Owners, or their tenants, or personal property of the Owners, or their tenants, guests, and invitees located within such Flats. For the sole purpose of performing the exterior maintenance upon each Unit required by this Article IV, Section 1, the duly authorized employees or agents of the Association shall have the right, after reasonable notice to the Owner, to enter upon any Unit and into any Unit at reasonable hours of any day.

(f) The duly authorized agents or employees of the Association shall have the right to enter in or upon any Unit or into any structure located on Unit, without notice to the Owner thereof, when, in the judgment of the Association, acting through its Board, such entrance is necessary to prevent damage to such Unit or surrounding Units or Common Elements by fire, criminal act, natural disaster, or other similar emergency.

(g) Notwithstanding the obligations of the Association with respect to maintenance of certain portions of the exterior of such Units, the Association shall have no obligation to repair interior or structural portions of any Unit that are lost or damaged as a result of construction defects, damage or maintenance issues of exterior portions of any Unit, including without limitation damage resulting from water leaks, foundational issues, or settling or structural matters. Each Owner shall bear full responsibility for obtaining and maintaining such insurance as may be desired for protection against such losses.

(h) Neither the Declarant nor the Association shall be liable for any claims or causes of action of any kind whatsoever in law or in equity arising from or in any way relating to the construction of improvements upon the Development except as may be expressly undertaken by such party, or for work that was performed by parties other than Declarant, its agents, employees, subsidiaries or other affiliated entities.

(i) The Association shall maintain those portions of Common Maintenance Units as this Declaration or any Supplemental Declaration establishes as an Association responsibility, and may charge to the Owners of such Common Maintenance Units a Common Maintenance Assessment, as appropriate.

Section 2. Owner's Responsibility. Except as provided in Article IV, Section 1 above, the Owner of each Unit shall have the sole responsibility for maintenance and insurance of all exterior and interior portions of the Unit; those areas within enclosed patios or courtyards, including all landscaping and irrigation; all interior walls, glass surfaces (weather windows or sliding glass doors), HVAC equipment serving only one Unit, storm doors, entry doors, screens, or patio covers; all patios, decks, balconies, and driveways serving only one Unit; all furnishings and other improvements not maintained by the Association. Each Owner shall maintain said portions of its Unit in a manner consistent with the Community-Wide Standard, the applicable covenants set forth in this Declaration, and such rules and regulations as may be established by the Board from time to time.

ARTICLE V INSURANCE AND CASUALTY LOSSES

Section 1. Insurance. The Board of Directors for the Association, or its duly authorized agent, shall have the authority to and shall obtain insurance for all insurable improvements on the Common Elements against loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious mischief. This insurance shall be in an amount sufficient to cover the full replacement costs of any repair or reconstruction in the event of damage or destruction from any such hazard.

(a) The Board shall also obtain a public liability policy covering the Common Elements, Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million Dollar (\$1,000,000.00) single person limit as respects bodily injury and property damage, a One Million Dollar (\$1,000,000.00) limit per occurrence, and a Five Hundred Thousand Dollar (\$500,000.00) minimum property damage limit.

(b) The Association shall, as a Common Expense, obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, and if not reasonably available, fire and extended coverage, in such form as the Board deems appropriate for one hundred (100%) percent of the replacement cost of the Common Maintenance Units, excluding the replacement of any finishes, fixtures, cabinets, appliances, flooring, or other improvements whether installed or supplied by the Owners, or their tenants, or personal property of the Owners, or their tenants, guests, and invitees located within such Units.

(c) Premiums for all insurance required by this Article V to be maintained by the Association other than that applicable to Common Maintenance Units only shall be Common Expenses of the Association and shall be included in the General Assessment, as defined in Article IX, Section 1. The policy or policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

(d) Premiums required by this Article V for Common Maintenance Parcels shall be allocated to the Common Maintenance Assessments, as set forth in Article IX.

(e) All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association as Trustee for the benefited parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(i) All policies shall be written with a company licensed to do business in Tennessee and holding a rating of BBB+ or better in the Financial Category as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the more nearly equivalent rating.

(ii) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

(iii) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Nashville, Davidson County, Tennessee area.

(f) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, the Owners, and their respective tenants, servants, agents and guests;

(ii) a waiver by the insurer of its rights to repair, and reconstruct, instead of paying cash;

(iii) that no policy may be canceled, invalidated or suspended on account of the conduct of any one or more individual Owners;

(iv) that no policy may be canceled, invalidated, or suspended on account of the conduct of any Director, officer, or employee of the Association or its duly authorized agent without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, any Owner, or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that no policy may be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association.

(g) In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. The amount of fidelity coverage shall be determined in the directors' best business judgment, but may not be less than three months' Assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association. The Board shall also obtain, as a Common Expense, a reasonably available amount of Directors and Officers Errors and Omissions insurance.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies with respect to Common Elements or the Common Maintenance Units shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as

hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction to the Common Elements or Common Maintenance Parcels, or, in the event no repair or construction is made, after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagees shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

(b) If it is determined, as provided for in Section 3 of this Article, that the damage or destruction to the Common Elements for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner as provided for excess proceeds in Section 2(a)(i) hereof.

Section 3. Damage or Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Property covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the costs of repair or reconstruction. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Property to substantially the same condition in which it existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Elements shall be repaired or reconstructed unless at a Special Meeting (as described in Article I, Section 5 the Bylaws) called in accordance with the Bylaws at least seventy-five percent (75%) of the total eligible vote of the Association shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within the sixty (60) day period referenced above, then the period shall be extended until such information shall be made available; provided, however, such extension period shall not exceed sixty (60) days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Elements shall be repaired or reconstructed. In the event that it should be determined by the Association in the manner described above that the damage or destruction of the Common Elements shall not be repaired or reconstructed and no alternative improvements are authorized, then the damaged portions of the Common Elements shall be restored to its natural state and maintained as an undeveloped portion of the Common Elements by the Association in a neat and attractive condition, including appropriate landscaping, and the remaining insurance proceeds shall be delivered pro rata to the Owners of each Unit.

Section 4. Repair and Reconstruction. If the damage or destruction to the Common Elements for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, use reserve or capital improvements account funds, or may levy a Special Assessment against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Section 5. Annual Review of Policies. At least annually, the Board shall review all insurance policies that are required by this Article V to be maintained by the Association in order to ascertain whether the coverage contained in the policies is sufficient. If the Board deems such coverage to be insufficient, the Board may expand the coverage to the extent it reasonably deems necessary.

ARTICLE VI NO PARTITION

There shall be no physical partition of the Common Elements or any part thereof. This Article shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring title to real property that may or may not be subject to this Declaration, or to prohibit the Board from granting easements over the Common Elements, or to prohibit the Declarant or Board from adjusting plat or other boundary lines for any Unit adjacent to Common Elements.

ARTICLE VII CONDEMNATION

Whenever all or any part of the Common Elements shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of all Owners) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to participate in the proceedings incident thereto, unless otherwise prohibited by law. The award made for such taking shall be payable to the Association as Trustee for all Owners to be disbursed as follows: If the taking involves a portion of the Common Elements on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant and at least seventy-five percent (75%) of the total eligible vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Elements to the extent lands are available therefor, in accordance with plans approved by the Board and the Design Review Committee. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction shall apply. If the taking does not involve any improvements on the Common Elements, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE VIII RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

In addition to the powers delegated to the Association by its Charter, the Association shall be empowered to perform each of the following duties related to the Property and Common Elements:

Section 1. Operation and Maintenance of Common Elements. To operate, maintain and otherwise manage or provide for the operation, maintenance and management of the Common Elements, together with all easements for operation and maintenance purposes and for the benefit of the Association or its Members over and within the Common Elements and/or the Units; to keep all improvements, if any, of whatever purpose from time to time located on the

Common Elements in good order, condition, and repair; and to borrow money as approved by the Board for such purposes. Said maintenance shall include, but not be limited to, the maintenance obligations set forth in Article IV, Section 1. Any other provision of this Declaration or the Bylaws notwithstanding, the Association always shall maintain lien free title to the Common Elements, excepting only a lien for current year taxes, provided, however, that the Association may mortgage or convey the Common Elements with an affirmative vote of at least sixty-seven percent (67%) of the Directors; and provided, further, that the Association may accept a conveyance of the Common Elements subject to a lien or other encumbrance.

Section 2. Water and Other Utilities. To acquire, provide, and/or pay for, water, sewerage, garbage disposal, electrical, telephone, gas, and other necessary utility services for the Common Elements. The Association may elect to establish common areas for the collection of garbage containers, and Owners shall place all garbage or other refuse in approved containers in such designated areas upon the direction of the Association.

Section 3. Taxes and Assessments. To pay all real and personal property taxes and assessments separately levied upon or assessed against the Association and/or the property owned by the Association. Such taxes and assessments may be contested or compromised by the Association; provided, however, that they are paid or a bond in an amount at least equal to such taxes and assessments is posted prior to the sale or other disposition of any property to satisfy the payment of such taxes or assessments.

Section 4. Insurance. To obtain from reputable insurance companies qualified to do business in the State of Tennessee the insurance set forth in Article V of this Declaration, and to maintain in force at all times such insurance as is required by this Declaration.

Section 5. Indebtedness. As authorized by the Board from time to time, the Association may incur indebtedness for the maintenance of Common Areas in such amounts and from such sources as may be determined by the Board, and may establish a Special Assessment for the repayment of such indebtedness against all Units or against only Units located within a building or structure that is the beneficiary of such maintenance; provided that all Units within a building or structure shall be assessed for such maintenance even if a particular Unit does not suffer from the damage or deterioration that is being maintained.

Section 6. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold, or other property interests within Davidson County conveyed to it by the Declarant as permitted herein.

Section 7. Rules and Regulations. The Association, through its Board of Directors or otherwise, may make and enforce reasonable rules and regulations governing the use of the Property, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions for violations of the rules and regulations may include reasonable monetary Fines (as hereinafter defined), suspension of the right to vote and suspension of the right to use the Common Elements. The Board shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. In addition, the Association, through the Board or otherwise, may, by contract or other agreement, enforce city or county ordinances or permit the City to enforce ordinances on the Property for the benefit of the Association and its Members.

Section 8. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the Bylaws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Section 9. Traffic Control. The Board may make rules and regulations concerning driving and parking within the Property, subject to applicable governmental requirements and restrictions. To the extent permitted by local governmental authority, the Association may construct traffic calming devices and post speed limits or other traffic signs and take other measures deemed necessary to discourage excessive speed and to promote a safe environment. The Association may enforce such rules and regulations with penalties, Fines or towing, and shall have all remedies set forth in this Declaration.

ARTICLE IX ASSESSMENTS

Section 1. Creation of Assessments. There shall be created annual Assessments as may be from time to time specifically authorized by the Board of Directors as follows (collectively, the "Annual Assessments"):

(a) The Board may levy general assessments for expenses determined by the Board to benefit the Association and/or the Units as a whole, including without limitation, expenses incurred by the Association in fulfilling its maintenance obligations set forth in Article IV, Section 1 ("General Assessments"). General Assessments shall be allocated among all Units equally, or as otherwise determined by the Board with respect to Retail Units.

(b) The Board may levy a Common Maintenance Assessment against Common Maintenance Units for expenses determined by the Board to benefit only such Common Maintenance Units, including without limitation, expenses incurred by the Association in fulfilling its insurance, maintenance or service obligations with respect to such Common Maintenance Units. Common Maintenance Units, as well as Retail Units, may be established with different levels of services and maintenance obligations for the Association, including differences between buildings or structures, and the Common Maintenance Assessment applicable to Common Maintenance Units may reflect such differences.

Section 2. Assessment Obligation. Each Owner, by acceptance of his or her Deed, is deemed to covenant and agree to pay all Assessments levied by the Association pursuant to this Declaration, whether or not such obligation is so expressed in such Deed. A budget for the first year of the Association, including contemplated General Assessments, Common Maintenance Assessments and Special Assessments (as defined below) and a breakdown thereof shall be developed prior to the first sale of a unit to an Owner (the "Base Budget"). Each Unit shall be subject to the Assessments set forth in the Base Budget or subsequently adopted Operating Budget when conveyed to a party other than Declarant, with Assessments being prorated as of the date of closing of the sale of the Unit. The Declarant or Association may but are not required to establish Assessments for Units or Units owned by Builders that are less than the General Assessment or Special Assessment for other Units that may be applicable, as evidenced by a certificate of occupancy, or the Unit is transferred to a third party other than a Builder; provided,

however, that such reduction shall be an accommodation to Builders, and the Declarant or the Association may increase such Assessments to the normal General Assessment or Special Assessment at any time. Notwithstanding any other provision of this Declaration, no Assessments shall be levied against Units owned by the Declarant, its successors or assigns.

During the Declarant Control Period, the Declarant shall from time to time loan to the Association any amounts required to make up any shortfall in the Base Budget for each year, and any subsequent Budget (as defined below), to the extent that such shortfall arises from (a) actual operating costs (including amounts allocated to or drawn from reserve funds) exceeding budgeted operating costs, or (b) budgeted operating costs (including amounts allocated to or drawn from reserve funds) exceeding actual income. To the extent a shortfall arises from subsection (b) of this paragraph and the lack of income results from the failure of any Owner to pay Assessments that are payable hereunder, the Declarant shall not be obligated to make up such shortfall. All amounts loaned to the Association by the Declarant pursuant to the provisions of this paragraph (collectively, the "Loans") shall bear interest at the Wall Street prime interest rate plus three hundred basis points from the time contributed until repaid and shall be repaid no later than three (3) years after end of the Declarant Control Period.

All Assessments, together with interest at the highest rate allowable under the laws of Tennessee from time to time relating to usury for residential real estate loans (or if no such rate is established, sixteen percent (16%) per annum) ("Interest"), costs, and reasonable attorneys' fees, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each Assessment is made. Each Assessment, together with Interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments that accrued prior to such acquisition of title.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board. The manner of payment fixed by the Board may include, without limitation, acceleration of the Assessment levied on a particular Unit on account of delinquent payment of such Assessment or monthly installment thereof. Unless the Board otherwise provides, Annual Assessments shall be paid in quarterly installments.

Section 3. Computation of Annual Assessment. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year (the "Operating Budget"). The Operating Budget shall include a capital contribution establishing a reserve fund in accordance with a Capital Budget separately prepared, as more particularly described in Article IX, Section 6 below. The Board shall set Assessments based on the Operating Budget and the Capital Budget. The Board shall cause a copy of the Operating Budget, and the amount of each General Assessment to be levied against each Unit for the following year, to be delivered to each Owner at least ten (10) days prior to the annual meeting of the Association. The Operating Budget, together with the Capital Budget and the Annual Assessments (collectively, the "Budget"), shall be adopted by the Board at a duly called meeting of the Board.

Notwithstanding the foregoing, however, in the event a Budget is not established for any reason for any year, then and until such time as a Budget shall have been determined as provided

herein, the Budget in effect for the then current year shall continue for the succeeding year. No failure to provide the Operating Budget or Assessments as required hereunder shall relieve any Owner from payment of such Assessments once established.

Section 4. Special Assessments. In addition to the Annual Assessments authorized above, the Board may levy special assessments to be used solely to defray, in whole or in part, the cost of any construction, reconstruction, or repair or replacement of a capital improvement, including the necessary fixtures and personal property related thereto ("Special Assessments"). The Board may levy a Special Assessment against all Units for such expenses determined by the Board to benefit the Association and/or the Units as a whole, and may levy a Special Assessment against particular portions of the Property for such expenses as may be determined by the Board to benefit less than the Association as a whole. The Board may also levy a Special Assessment against particular Units to reimburse the Association for costs incurred in maintaining such Units upon failure of the Owner to do so, as set forth in this Declaration.

Section 5. Lien for Assessments. To secure the payment of any Assessment and/or fine imposed by the Association pursuant to Article X, Section 6 of this Declaration (each such fine, a "Fine"), a lien is expressly retained in favor of the Association on each and every Unit in the Association. Such lien shall be prior and superior to all other liens, except all taxes, bonds, assessments, first mortgage liens, and other levies which by law would be superior thereto.

For the purposes of rendering unnecessary court proceedings for the enforcement of said lien in the event of the nonpayment of Assessments and/or Fines, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the Owners, their heirs, successors, administrators, and assigns, hereinafter referred to as "Trustors," hereby transfer and convey unto J. Bryan Echols, Trustee, his successors and assigns, their respective Units with the appurtenances, estate, title and interest thereto belonging upon the use and trusts set forth in this paragraph.

If each Trustor shall pay his Assessments and Fines when due, then this trust conveyance shall be of no further force or effect with respect to such Trustor's Unit. If the Assessments and Fines with respect to any Unit are not paid promptly when due, this trust conveyance shall remain in full force and effect, and the said Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three (3) publications in any newspaper, daily or weekly, published in Davidson County, Tennessee to sell said Unit at the front door of the Court house in said County to the highest bidder for cash, at public outcry, free from all statutory, equitable and other rights of redemption, homestead, dower and all exemptions of every kind, which are hereby expressly waived; and the said Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Association may, at any time after default in the payment of any Assessment or any installment payment thereof or any Fine, enter and take possession of said Unit, and shall only account for the net rents actually received by it. It is further agreed that, in the event the Association fails, before instructing Trustee to sell said Unit, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said Unit. In the case of sale hereunder, the proceeds will be applied by the Trustee as follows:

(a) First, to the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided, including reasonable attorneys' fees and expenses incurred for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien;

(b) Second, to the payment of all taxes which may be unpaid with respect to such Unit;

(c) Third, to the payment of all unpaid Assessments and Fines with respect to such Unit; and

(d) Fourth, the residue, if any, will be paid to the Owner of such Unit, to his order, representatives, heirs or assigns or to any other person legally entitled thereto.

In the case of the death, absence, inability, or refusal to act of said Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the Association is hereby authorized and empowered to name and appoint a successor to the Trustee by an instrument in writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the above named Trustee shall be vested in said successor.

The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale, and to credit bid any amounts owed by the Owner of such Unit, and to acquire and hold, lease, mortgage, and convey the same. Any funds required for purchase of a Unit at foreclosure shall be assessed as a Special Assessment, subject to all of the requirements in Article IX, Section 4 hereof. With respect to any Unit owned by the Association following foreclosure: (1) no right to vote shall be exercised on behalf of the foreclosed Unit; (2) no Assessment shall be assessed or levied on the foreclosed Unit; and (3) each other Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may temporarily suspend the voting rights and rights to use all or portions of the Common Elements of a Member who is in default of payment of any Assessment or any installment payment thereof after notice and hearing.

Nothing in this Section shall preclude the Association from recording and enforcing its lien without exercising its rights arising from the foregoing trust conveyance.

Section 6. Capital Budget and Contribution. As noted in Article IX, Section 3, above, the Board of Directors shall annually prepare a Capital Budget that shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost (the "Capital Budget"). The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the Capital Budget, with respect both to amount and timing by Assessments over the period of the Budget. The capital contribution required shall be fixed by the Board and included within the Operating Budget and Assessment, as provided in Section 3 of this Article. The Capital Budget shall also provide for the establishment of separate reserve accounts to hold the proceeds of the Assessments imposed for capital expenditures such as those

set forth in Article IV, Section 1(c). A copy of the Capital Budget shall be distributed to each member in the same manner as the Operating Budget.

Section 7. Certificate of Payment. The Board shall, upon request and for a reasonable charge not to exceed \$25.00, furnish to any Person a certificate, signed by an officer of the Association, setting forth whether or not all Assessments, whether General or Special, on a specified Unit have been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8. Start-up Assessment. Each Unit Owner who takes title to a Unit from a Builder or who takes title directly from Declarant shall pay to the Association at closing a start-up assessment fee equal to the lesser of (a) three (3) month's General Assessment or (b) an amount established by the Board from time to time (the "Start-up Assessment"). This one time Start-up Assessment shall be in addition to and not a prepayment of the regular Assessments provided for above. All receipts for Start-up Assessments shall first be applied to repayment of any Loans, and thereafter may be applied to the Budget or to reserves.

Section 9. Transfer Assessment. The Board may establish an assessment to be paid by the purchaser of any Unit within the Property on transfer or conveyance of such Unit from time to time (the "Transfer Assessment"). The amount of such Transfer Assessment shall be equal to the lesser of (a) three (3) month's General Assessment or (b) an amount established by the Board from time to time. The Transfer Assessment shall not be due on any closing of a Unit in which the Start-Up Assessment is paid. All receipts for Transfer Assessments shall first be applied to repayment of any Loans, and thereafter may be applied to the Budget or to reserves.

Section 10. Administrative Fee. In addition to the Transfer Assessment, the Board may establish an administrative fee that the purchaser of any Unit within the Property shall be obligated to pay. The purpose of the Administrative Fee is to pay for the administrative actions of the Association or its agent resulting from the change in Unit ownership.

ARTICLE X CONSTRUCTION AND ARCHITECTURAL STANDARDS

Section 1. Construction Standards. Owners, including Builders, shall construct all Units in accordance with plans and specifications approved by the Metropolitan Government of Nashville and Davidson County, Tennessee (the "City"). Further, no Person shall construct any Unit or other improvements upon a Unit, or after completion of such Unit or other improvements, make any modifications, additions or alterations to such Unit or any structure thereon or improvement thereto, without the prior written approval of the Board, which may at its discretion establish a separate committee or body for such review. In no event shall the Board approve any plans violating the use restrictions set forth in Article XI below or the architectural covenants that have been submitted to and approved by the City as set forth below (the "City Requirements").

(a) Review. The Board may establish from time to time the procedures for review of such modifications, additions or alterations, including without limitation submission requirements, including without limitation plans and designs, payments of review and other costs, and any architectural consultant requirements.

(b) Drainage. All plans shall comply with and Owners shall be solely responsible for applicable drainage, water conservation, erosion control and stormwater detention requirements. No alteration of existing grade or any planting, fences or other improvements that alter the flow of water shall be permitted without the express consent of the Board, which approval shall be for the exclusive benefit of the Declarant or Association, as applicable, and shall not remove or alter the responsibility of any Owner or Builder for compliance with such requirements. Notwithstanding any other provision of this Declaration, neither the Declarant nor the Association shall have the responsibility to ensure that drainage or grading of Units is properly accomplished. Each Owner shall be solely responsible to ensure that grading and drainage are in compliance with all applicable laws, codes, regulations and other requirements, including without limitation any easements for drainage, whether or not shown on any recorded plat.

(c) Modifications. Modifications after completion of construction, or additions or changes to the approved plans during construction, must be reviewed and approved. However, review is not required to paint with originally approved materials and colors, or to replace the roof or other components with duplicates of the original material. Significant new landscaping, grading and any removal of trees or plants must be approved in advance.

(d) Governmental Compliance. Owners are responsible for making sure that construction conforms to governmental regulations and all local building codes. If the Board notes noncompliance, the Owner will be required to make the necessary changes. However, the Design Review Committee is not responsible for compliance with governmental requirements.

Section 2. Enforcement.

(a) Fines. The Board may require the Builder or Owner to post a deposit from which the Board may deduct Fines for failure to comply with the approved plans and specifications, tree regulations and rules for contractor conduct. The collection of a Fine shall not in any way diminish the available remedies at law or equity.

(b) Suit Permitted. If any construction is begun that has not been approved or that deviates from approved plans and specifications, the Board, the Declarant or the Association may require the Owner to resolve the dispute through binding arbitration or may bring suit seeking damages, specific performance, declaratory decree and/or injunction, or any other remedy at law or in equity. The Board shall be empowered to bring suits on behalf of the Association. If suit is brought and the court finds that the construction was not approved or that the construction deviated from the approved plans or specifications, then the party bringing suit shall also be awarded reasonable attorney's fees, even if the relief requested is not granted.

(c) Trees and Hedges. Improper cutting, removal, lack of care or intentional damage to existing trees and hedges may be subject to the imposition of Fines plus a requirement that the tree be replaced with an approved species of comparable caliper, or, if approved by the Board, a combination of trees totaling the caliper of the removed tree, or that hedges be replaced with an approved hedge plant. Fines shall be set by the Board.

(d) Drainage. After reasonable notice (except in an emergency), the Declarant or the Association shall have the right but not the obligation to enter onto a Unit and correct improper grading or other modification to the Unit which causes drainage problems. Such corrections shall be made at the cost and expense of the Owner of the Unit, who shall promptly reimburse the Declarant or the Association, as applicable. The Unit shall be subject to a lien for the cost if not paid. The Declarant or the Association, as applicable, shall not be required to repair or replace landscaping or other improvements after such action.

(e) No Waiver. Failure to enforce any provision of this Declaration shall not be deemed a waiver of the right to do so at any time thereafter.

Section 3. Liability. The Board and its inspectors are concerned primarily with aesthetic considerations, and are not responsible for compliance with governmental requirements or design or construction defects or use of materials affecting the safety or structural integrity of the building. Approval by the Board of an application shall not constitute a basis for any liability of the Qualified Architect, Declarant, the Directors or the Association for failure of the plans to conform to any applicable building codes or inadequacy or deficiency in the plans resulting in defects in the improvements, or for the performance or quality of work of any builder or architect approved by it, or for non-compatible or unstable soil conditions or soil erosion, or any other condition of the property.

Section 4. Satellite Dish and Antenna Installation. In accordance with the rule adopted by The Federal Communications Commission (the "FCC") at Title 47 of the Code of Federal Regulations, Section 1.4000 (the "FCC Rule") limiting or preempting certain association restrictions on the installation, maintenance and use of certain antennas for direct broadcast satellite service, local television broadcast, multipoint distribution service and fixed wireless signals via satellite, as may be amended or replaced from time to time, the provisions of this Article X, Section 8 shall govern the installation of satellite dishes and antennas within the Development.

(a) Antennas on Common Elements. No antenna may be attached to any Common Element, including without limitation any exterior portion of a Common Maintenance Unit.

(b) Antenna Size and Type.

(i) Prohibited Antennas. All antennas that are not specifically included within the definition of Exempt Antenna set forth above are prohibited, including without limitation any antenna that receives or transmits signals not included in the definition of DBS, FWS or DMS or television broadcast signals.

(ii) Antennas. Subject to the Design Code, Exempt Antennas may be installed on or within Units.

(iii) Antennas that Transmit Signals. All antennas that are capable of transmitting signals, including FWS antennas, must be labeled to provide notice of radio frequency (RF) safety hazards and reference the applicable FCC-adopted

limits on RF exposure; in addition, all such antennas must be professionally installed.

(c) Location.

(i) Notification. Before or upon installation of an Exempt Antenna, Owners are required to notify the Design Review Committee in writing of the type of Exempt Antenna, the manner of installation and the placement on the Unit, provided, however, that no notification shall be required for installation of any antenna or Exempt Antenna located within the interior of a Unit. Notification shall include provision of the brochure referenced in Article X, Section 8(c)(v) of this Declaration.

(ii) Compliance by Owner. Owners are required to follow this Declaration and Design Review Committee direction as to the placement of the Exempt Antenna unless such placement unreasonably delays the Exempt Antenna's installation, unreasonably increases the cost of its installation, maintenance or use, or prevents the Owner from obtaining an acceptable quality signal.

(iii) Preferred Locations. Any Exempt Antenna shall be installed in locations in the following order of preference:

(1) If acceptable quality signals can be received by placing Exempt Antennas inside a Unit without unreasonable delay or unreasonable cost increase, then outdoor installation is prohibited.

(2) Exempt Antennas must be installed solely within the boundaries of the Unit, not including any Common Elements or other area of non-exclusive control, including without limitation any area subject to a Use Easement for the benefit of an adjacent Unit as designated on the recorded deed and any applicable Declaration.

(3) Exempt Antennas shall be located in a place shielded from view from other Units to the maximum extent possible; provided, however, that nothing in this rule would require installation in an area where an acceptable quality signal cannot be received. This section does not permit installation on Common Elements, even if an acceptable quality signal cannot be received from an individually-owned Unit.

(d) Safety Requirements.

(i) Mast Height. The installation of any Exempt Antenna on a mast greater than twelve (12) feet in height shall require the prior written approval of the Design Review Committee.

(ii) Manufacturer Instructions. Exempt Antennas shall be installed and secured in a manner that complies with all applicable manufacturer's instructions.

(iii) Distances from Hazards. Exempt Antennas shall not be placed within twenty-five (25) feet, or such greater distance as may be required by applicable law, statute, ordinance or easement requirement, of power lines (above-ground or buried) and in no event shall Exempt Antennas be placed where they may come into contact with electrical power lines. This purpose of this requirement is to prevent injury or damage resulting from contact with power lines.

(iv) Grounding. In order to prevent electrical and fire damage, Exempt Antennas shall be permanently and effectively grounded.

(v) Windloading. Exempt Antennas and masts are required to withstand winds of fifty (50) mph as established by the manufacturer's installation and specification brochure, to be provided with the notification given pursuant to Article X, Section 8(c)(v) above.

(vi) Visibility. Exempt Antennas may not obstruct a driver's view of an intersection or street.

(e) Special Provisions Concerning Masts.

(i) Height. Mast height may be no higher than absolutely necessary to receive acceptable quality signals.

(ii) Tall Masts. Masts extending twelve (12) feet or less beyond the roofline may be installed, subject to the regular notification process. Masts extending more than twelve (12) feet above the roofline ("Tall Masts") must be pre-approved due to safety concerns posed by wind loads and the risk of falling antennas and masts. Applications for a Tall Mast must include a detailed description of the structure and anchorage of the Exempt Antenna and the mast, as well as an explanation of the need for a Tall Mast. If this installation will pose a safety hazard to Association residents and personnel, then the Association may prohibit such installation. The notice of rejection shall specify these safety risks.

(iii) Professional Installation. All masts must be installed by licensed and insured contractors.

(iv) Painting. Masts must be painted the appropriate color to match the surroundings.

(v) Location on Roof. Masts installed on a roof shall not be installed nearer to the Unit line than the total height of the mast and antenna structure

(vi) Electric Lines. Masts shall not be installed nearer to electric power lines than the total height of the mast and antenna structure above the roof. The purpose of this regulation is to avoid damage to electric power lines if the mast should fall in a storm.

(vii) Other Property. Masts shall not encroach upon another Owner's Unit, a Use Easement, or any Common Elements.

(f) Aesthetic Requirements.

(i) Extension Beyond Structures. Exempt Antennas or masts may not extend above a roof line or beyond a railing or fence unless no acceptable quality signal may be received from this location.

(ii) Ground Locations. Exempts Antennas situated on the ground and visible from the street or from other Units must be camouflaged by existing landscaping or fencing, if an acceptable quality signal may be received from such placement. If no such existing landscaping or screening exists, the Association may require Exempt Antennas to be screened by new landscaping or screening of reasonable cost.

(iii) Painting. Antennas, masts, and any visible wiring must be painted to match the color of the structure on which it is installed.

(g) Enforcement. In addition to any other right of enforcement set forth in the Declaration or Bylaws, the Association shall have the right to file a petition with the Federal Communications Commission. If the Association believes these rules are violated, the Association may bring an action for declaratory relief with the FCC or any court of competent jurisdiction after notice and an opportunity to be heard. If the court or FCC determines that the Association rule is enforceable, a fine may be imposed pursuant to the Declaration. To the extent permitted by law, the Association shall be entitled to reasonable attorney fees, costs, and expenses incurred in the enforcement of this policy.

(h) Separateness. In the event that any part of provision of this Article X, Section 8 shall be judged unlawful or unenforceable under Tennessee law or the FCC Rule, the remainder of this Resolution shall nonetheless survive and remain in full force and effect.

ARTICLE XI USE RESTRICTIONS

Section 1. Use Restrictions. In addition to all other covenants contained herein, the use of the Property is subject to the following:

(a) Residential Use. Except with regard to Retail Units or as otherwise provided in this Declaration, including Section 1(q) of this Article, each Unit shall be used as a residence and for no other purposes, and there shall not be constructed or maintained upon any Unit more than one single-family residence. Except as otherwise provided in this Declaration, the Common Elements shall be used for recreational, social and other purposes directly related to the single-family use of the Units authorized hereunder.

(b) Maintenance of Exterior and Interior. Except as provided in Article IV, Section 1, each Owner shall be responsible for the maintenance of, and shall maintain,

No building, including out-buildings, patios, fences, and porches, shall be removed from, erected on, placed or altered on any Unit, or any portion of the Common Elements, until the construction plans and specifications and a plan showing the exact location of the structure or improvements have been approved in writing by the Design Review Committee with respect to quality of workmanship and materials, harmony of external design with existing structure or structures, and location as provided in Article X. Any alteration in the exterior color of any structural improvement shall likewise be subject to the prior approval of the Association. The prohibitions set forth herein shall not apply to Declarant.

(m) Garbage Collection. All rubbish, trash, and garbage shall be removed from the Property regularly and shall not be allowed to accumulate thereon. All refuse containers, clothes lines, woodpiles, storage areas, machinery, or equipment shall be kept in such a manner as not to be visible from neighboring property or contiguous streets, subject to approval by the Board. (q) Trade or Business. No gainful profession, occupation, trade or other nonresidential use shall be conducted in any Unit or upon the Common Elements or any portion thereof without the prior approval of the Board. The Board may disapprove such a trade or business in the event that it determines that the trade or business would have a negative impact on the Property, including, without limitation, creating problems related to traffic, parking or security. In determining whether to approve a trade or business conducted in a Unit, the Board shall be provided with detailed information on (i) the type of trade or business and (ii) the activities related thereto that could potentially affect the Property. In the event that the Board approves a certain trade or business (the "Approved Use"), then so long as the activities related to that Approved Use do not materially

change from the activities described to and approved by the Board, the Board (whether or not the composition of the Board changes) shall not have the right to disapprove the Approved Use after the date of the original approval, subject to subparagraph (r) below.

(r) Compliance with Law. The Association and each Owner shall comply promptly with all laws, statutes, ordinances, rules and regulations of federal, state or municipal governments or authorities applicable to use, occupancy, construction and maintenance of any improvements upon the Units.

(s) Damage from Plants. No Owner shall permit any plant, tree, shrubbery or other similar item to exist upon any portion of such Owner's Unit that shall damage or create a nuisance on another Unit or that has not been approved by the Design Review Committee. The Board shall determine conclusively, in its sole and absolute discretion, whether, for the purpose of this paragraph, a particular plant, tree, shrubbery, or other similar item is a nuisance and therefore to be removed from the Property.

(w) Firearms. Discharge of firearms is prohibited; provided, the Board shall have no obligation to take action to prevent or stop such discharge.

Section 2. Additional Restrictions. The Board of Directors shall be entitled to invoke additional rules and regulations from time to time for the operation, use and maintenance of the Property located within its jurisdiction, including the Units and the Common Elements, provided such rules and regulations are not inconsistent with this Declaration.

Section 3. Restriction on Rentals. Except for Retail Units, for a period of thirty-six (36) months from the date of recordation of this Declaration, no Unit shall be rented to a non-Owner. From and after the expiration of such period, no Unit other than Retail Units shall be rented to a non-Owner except with the prior written consent of the Association.

(a) If an Owner shall desire to rent its Unit to a third-party, the Owner may be required by the Association to submit to the Association all of the following, in form and content satisfactory to the Association:

(iii) A copy of a background check on the prospective tenant and all occupants of the Unit provided with the written consent of the prospective tenant and that indicates no prior criminal convictions or any sex offender status or other matter reasonably objected to by the Association.

(iv) Any fee charged by the Association for review of the application and other material.

(v) Upon approval, a copy of the executed tenant lease.

(b) A failure to procure approval prior to leasing a Unit shall constitute a violation of the Declaration and, among other things, the Association shall be entitled to injunctive relief against such Owner and the tenant, the Owner acknowledging that legal remedies may not be adequate. The Owner shall be subject to all expenses of the Association resulting from any such violation, including without limitation reasonable attorney fees and other costs of enforcement.

(c) The Association may require any Owner to evict any tenant who fails to follow the rules for conduct within the Development as established by the Association from time to time.

ARTICLE XII GENERAL PROVISIONS

Section 1. Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association or the owner of any of the Property subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded. After the initial thirty (30) year term has expired, the term of this Declaration shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by sixty-seven percent (67%) of the then Owners, has been recorded within the year preceding the beginning of each successive ten-year period, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same.

Section 2. Amendment. During the Declarant Control Period, Declarant may unilaterally amend this Declaration subject only to the requirement that nothing in such amendment violate any requirement of the Federal Housing Administration, Veterans Administration or Federal National Mortgage Association. Further, so long as Declarant owns any portion of the Development, Declarant may unilaterally amend this Declaration so long as such amendment is designed to comply with any law, regulation or provision of the Federal

Home Loan Mortgage Corporation or Federal National Mortgage Association. Further, this Declaration may be amended by a sixty-seven percent (67%) affirmative vote of those Members present at any duly called meeting, and the written approval of the Declarant during the Declarant Control Period. Any amendment shall not become effective until recorded in the Register's Office for Davidson County, Tennessee. No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

Section 3. Indemnification. The Association shall indemnify its officers and directors against any and all expenses and liabilities, including attorney fees, reasonably incurred by or imposed upon any officer or director in connection with any action, suit, or other controversy or proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party, or may become involved, by reason of being or having been an officer or director of the Association. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 4. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws of the Association, his or her right of enjoyment to the Common Elements and facilities to the members of his or her family, tenants and social invitees, subject to such rules and regulations as the Board of Directors may adopt.

Section 5. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Unit and such portion or portions of the Common Elements adjacent thereto or as between adjacent Units, due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed or altered thereon (in accordance with the terms of this Declaration) to a distance of not more three (3) feet, as measured from any point on the common boundary between each Unit and the adjacent portion of the Common Elements or as between said adjacent Units, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an owner, tenant or the Association. There also shall be reciprocal appurtenant easements of encroachment as between each Unit and such portion or portions of the Common Elements adjacent thereto or as between adjacent Units, due to the placement or settling or shifting of roof overhangs, downspouts, gutters, eaves, foundations or fireplaces/chimneys constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than three (3) feet, as measured from any point on the common boundary between each Unit and the adjacent portion of the Common Elements or as between said adjacent Units, as the case may be, along a line perpendicular to such boundary at such point.

In the event that any streets or roadways granting ingress or egress to a Unit are included in the Common Elements, all Owners of such Units shall have a permanent easement for ingress and egress over such streets or roadways. Any conveyance or encumbrance of such streets or roadways shall be subject to such easement.

Section 6. Easements for Utilities, Etc.

(a) There is hereby reserved unto Declarant, so long as the Declarant owns any property intended for inclusion in the Development, the Association and the designees of each (which may include, without limitation, the City, and any utility), blanket easements upon, across, over, and under all of the Common Elements and, to the extent shown on any plat, over the Units for ingress, egress, installation, replacing, repairing, and maintaining cable television systems, master television antenna systems, security, and similar systems, roads, walkways, bicycle pathways, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephones, gas, and electricity.

(b) Declarant hereby reserves unto itself and the Association, or their duly authorized agents and representatives, such easements as are necessary to perform the duties and obligations of the Association as set forth in this Declaration, Bylaws and Association rules.

(c) Notwithstanding anything herein to the contrary, this Declaration and the conveyance of each Unit shall be subject to all easements heretofore or hereafter granted by Declarant or by the Board for the installation and maintenance of utilities and drainage facilities necessary for the development of the Property.

(d) Whenever sanitary sewer connections, water connections, or electricity, data, television, gas or telephone lines are installed within the Property, which connections or any portion thereof lie in or upon the Common Elements or Units owned by Owners other than the Owners of the Units served by said connections, the Owner of each Unit served by said connections shall have the right, and hereby is granted an easement to the full extent necessary therefor, to enter upon or have the utility companies enter upon the Unit or Common Elements upon which said connections, or any portion thereof, lie for the purpose of repairing, replacing and generally maintaining said connections as and when the same may be necessary.

(e) Whenever sanitary sewer connections, water connections, or electricity, data, television, gas or telephone lines are installed within the Property, which connections serve more than one Unit, the owner of each Unit served by said connections shall be entitled to full use and enjoyment of such portions of said connections as serve his Unit.

(f) In the event of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, then upon the written request to the Association of any one of such Owners, the matter shall be submitted to the Board, which shall decide the dispute and make a Special Assessment against any or all of the Owners involved, which Special Assessment shall be collected and enforced in the manner provided by Article IX of this Declaration.

(g) Each of the easements provided for in this Declaration shall be deemed established upon the recordation of this Declaration and thenceforth shall be deemed covenants running with the land for the use and benefit of the Units and the Common Elements, as the case may be, superior to all other encumbrances applied against or in favor of any portion of the Property.

Section 7. Yard Easements. To allow the most efficient use of a Unit, while complying with governmental setback requirements, a portion of a Unit along a Unit line may be subject to an easement for use by the adjoining Unit Owner. Such easements may be designated on the Plat, a Supplemental Declaration, the Design Code, or on the deed from the Declarant to an Owner.

Section 8. Construction and Sale by Declarant. Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and initial sale of Units shall continue, it shall be expressly permissible for Declarant to construct, maintain and carry on upon portions of the Property, other than Units owned by persons other than Declarant, such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such residences, including, but not limited to, business offices, signs, Units, utilities, model units, and sales offices, and the Declarant and its invitees shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the Declarant as models and sales offices. Declarant may further delegate all of the privileges set forth in this Section 8 to any Builder or other party in the discretion of Declarant. This Section may not be amended without the express written consent of the Declarant.

Section 9. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect. Each covenant and restrictions shall be enforced to the fullest extent permitted by law.

Section 10. Right of Entry. The Association shall have the right to enter into any Unit for emergency, security, and safety, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance, personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. It is intended that this right of entry shall include the right of the Association to enter a Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board. The Board may levy a Special Assessment against such Owner equal to the cost and expense incurred by the Association in curing such condition.

Section 11. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 12. Use of the Words "Porter Village." No Person shall use the words "Porter Village" in relation to the Development or any derivative thereof in any printed or promotional material without the prior written consent of the Declarant.

Section 13. Right of Action. All Owners hereby acknowledge and agree that the Association shall not be entitled to institute any legal action against anyone on behalf of any or all of the Owners which is based on any alleged defect in any Unit or the Common Elements, or any damage allegedly sustained by any Owner by reason thereof, but rather, that all such actions shall be instituted by the Person(s) owning such Units or served by such Common Elements or allegedly sustaining such damage. Notwithstanding the above, once Declarant no longer has the right to appoint and remove directors and officers, as set forth in the Bylaws, the Board of Directors may negotiate the resolution of any alleged defect(s) in the Common Elements on behalf of the Owners and shall have the right and authority to settle and release on behalf of any and all of the Owner's claims, causes of action, damages and suits involving the same. Any such settlement and release shall bind all Owners and their successors and assigns.

Section 14. Disclosures. Each Owner acknowledges the following:

(a) The Development is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

(b) The views from an Owner's Unit may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

(c) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(d) No representations are made regarding the schools that currently or may in the future serve the Development or any Unit.

(e) Since in every neighborhood, there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Property that an Owner may find objectionable and that it shall be the sole responsibility of the Owners to become acquainted with neighborhood conditions that could affect the Unit.

(f) All Owners acknowledge and understand that Declarant and Builders will be constructing/renovating portions of the Development and engaging in other construction activities related to the construction of Common Elements and improvement of Units. Such construction activities may, from time to time, produce certain conditions on the Development, including, without limitation: noise or sound that is objectionable because of its volume, duration, frequency or shrillness; smoke; noxious, toxic, or corrosive fumes or gases; obnoxious odors; dust, dirt or flying ash; unusual fire or explosion hazards; temporary interruption of utilities; and/or other conditions that may threaten the security or safety of persons on the Development. Notwithstanding the foregoing, all Owners agree that such conditions on the Development resulting from renovation and construction activities shall not be deemed a nuisance and shall not cause Declarant and its agents to be deemed in violation of any provision of the Declaration.

ARTICLE XIII DECLARANT'S RIGHTS

Section 1. Withdrawal or Addition of Property. Declarant reserves the right to amend this Declaration, for the purpose of removing any portion of the Property that has not yet been improved with structures from the coverage of this Declaration or to add additional property to be subject to this Declaration by Supplemental Declaration. Such amendment shall not require the consent of any Person other than the Owner(s) of the property to be withdrawn, if not the Declarant. If the property is Common Elements, the Association shall consent to such withdrawal. The inclusion of real property in the term "Development" or on Exhibit A to this Declaration shall not be deemed to obligate Declarant to acquire such real property or to include such property within the Property or the Development except in the sole discretion of Declarant.

Section 2. Development in Phases. Declarant intends to develop the Property and the Development in two or more Phases. Accordingly, the number of Units and types of Units will be increased from time by the recording of Supplemental Declarations and/or Plats. The inclusion of any land in the definition of the Property shall not preclude the Declarant from exercising full control over such land until such time as a Plat shall be recorded submitting the land and the Property to specific units, condominiums, or other improvements.

Section 3. Marketing and Sales Activities. Declarant and builders authorized by Declarant may construct and maintain upon portions of the Development and the Common Elements such facilities and activities as, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of Units, including, but not limited to, business offices, signs, model units, and sales offices. Declarant and authorized Builders shall have easements for access to and use of such facilities at no charge.

Section 4. Right to Develop. Declarant and its employees, agents, and designees shall have a right of access and use and an easement over and upon all of the Common Elements for the purpose of making, constructing and installing such improvements to the Common Elements as it deems appropriate in its sole discretion.

Section 5. Right to Approve Changes in Design Standards. No amendment to or modification of any restrictions and rules or architectural guidelines shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with this Article.

Section 6. Right to Transfer or Assign Declarant Rights. Any or all of Declarant's special rights and obligations set forth in this Declaration or the Bylaws may be transferred in whole or in part to other Persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a written instrument Declarant signs and records. The foregoing sentence shall not preclude Declarant from permitting other Persons to exercise any right reserved to Declarant in this Declaration as an agent, employee or contractor of Declarant where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to Record any written assignment unless necessary to evidence Declarant's consent to such exercise. In the event Declarant ceases to act as Declarant and abandons its role as Declarant after the end of the Declarant Control Period, then the Association

shall have and may exercise all rights of Declarant without the necessity of a written assignment by the Declarant that fulfilled Declarant's obligations prior to such transfer.

Section 7. Termination of Rights. The rights contained in this Article shall not terminate until the earlier of (a) forty (40) years from the date this Declaration is recorded; or (b) recording by Declarant of a written statement that all development and sales activity has ceased.

ARTICLE XIV EASEMENT TO INSPECT AND RIGHT TO CORRECT

Section 1. Easement. Declarant reserves for itself, the General Contractor (defined below) and such other persons as each may designate, perpetual, non-exclusive easements throughout the Property to the extent reasonably necessary for the purposes of access, inspecting, testing, redesigning, correcting, modifying or improving any portion of the Property, including Units, the Common Elements and the Limited Common Elements. Pursuant to this Section and any express warranty provided by either party, Declarant and General Contractor shall have the unilateral right, at any time, to redesign, correct, modify or improve any part of the Property, including Units, the Common Elements and the Limited Common Elements, to the extent reasonably necessary to correct any design defect, construction-related defect or other construction-related problem, to improve the operational efficiency and structural integrity of any improvement located on the Property, and to otherwise provide a superior or enhanced housing product within the Property.

Section 2. Right of Entry. In addition to the above easement, Declarant for itself and General Contractor reserves a right of entry into any Unit or Limited Common Elements upon reasonable notice to the Unit Owner; provided, however, notice shall not be required in an emergency. Entry into a Unit shall be only after Declarant or General Contractor notifies the Unit Owner (or occupant) and agrees with the Unit Owner regarding a reasonable time to enter the Unit to perform such activities. Unit Owner agrees to cooperate in a reasonable manner with Declarant and General Contractor in their exercise of the rights provided to it by this Section. Entry onto the Common Elements and into any improvements and structures thereon may be made by Declarant or General Contractor at any time with advance notice to the Association; provided, however, in an emergency, such notice shall not be required and Declarant and General Contractor shall be permitted to enter upon any portion of the Property without advance notice or consent.

Section 3. Notice Requirement. Upon notice, observation, or suspicion of a design defect, construction-related defect or other construction-related problem with any improvement located on the Property, including the Common Elements, the Limited Common Elements and any Unit, the Association immediately shall notify Declarant and General Contractor of such issue in writing and, in the case of a condition posing an imminent threat of damage to person or property, telephonically. Upon such notice, Declarant or General Contractor shall have the right to come onto the Property to observe the defect or problem and unilaterally to undertake any corrective measures that it deems appropriate without the additional consent or participation of the Association or the Unit Owner(s). The rights of notice, inspection and correction granted to Declarant and General Contractor pursuant to this Section shall be provided by the Association and any affected Unit Owner prior to the Association and any affected Unit Owner consulting with, hiring or retaining, in any capacity whatsoever, any third party to examine, correct, repair

or improve any design defect, construction-related defect or other construction-related problem with the Property, any Common Element, Limited Common Element or Unit. Failure by the Association or any Unit Owner to provide Declarant and General Contractor with the above described notice, inspection and cure rights granted to it by this Section, automatically shall constitute an absolute and unconditional waiver of any legal claim or other claim or remedy whatsoever, including any warranty claims and any right to file a claim in arbitration, that the Association or the Unit Owner(s) otherwise may have regarding such defect or problem absent such waiver.

Section 4. Damage. Any damage to the Property, a Unit, the Limited Common Elements or the Common Elements resulting from the exercise of the easement and right of entry described in the above subsections of this Section promptly shall be repaired by, and at the expense of, the party exercising this easement; provided, however, the obligation to repair shall be limited to restoring the affected area to the same approximate condition and state of repair which existed prior to the undertaking of the work permitted by this easement and after taking into account the nature of any corrective work or improvement so performed by Declarant or General Contractor pursuant to this Section.

Section 5. No Implied Warranty and Enforcement. THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DECLARANT AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DECLARANT AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW. Declarant and General Contractor may seek enforcement of the rights afforded to each of them under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Declaration or any other instrument whatsoever.

Section 6. General Contractor, Notices and Amendment. As used in this Section, the term "General Contractor" shall mean any contractor hired for the purpose of constructing any portion of the Project, their respective employees, officers, directors, agents, subsidiaries, affiliates and assigns as well as all subcontractors hired by General Contractor (or subcontractors of such subcontractors) to perform work on the Property, the Common Elements, the Limited Common Elements and any Unit. Notices to General Contractor shall be delivered to such notice address as may be posted or amended from time to time by General Contractor upon the filing of a new notice address in the appropriate land records where the Development is located with cross-reference to this Declaration. General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without General Contractor's prior written consent. Declarant covenants with General Contractor that it immediately shall forward to General Contractor any notice whatsoever that Declarant receives from the Association or any Unit Owner regarding any alleged design defect, construction-related defect or other construction-related problem whatsoever regardless of whether or not such notice also shall be addressed to General

Contractor and regardless of whether or not Declarant determines that such complaint is without merit.

ARTICLE XV ARBITRATION AND ACTIONS AGAINST THE GENERAL CONTRACTOR AND/OR DECLARANT

Section 1. Prerequisites to Actions Against Declarant or General Contractor. Prior to filing a civil action or arbitration claim of any nature whatsoever against Declarant or General Contractor (as defined below), and prior to consulting with, retaining or hiring in any capacity whatsoever, any third party consultant, advisor, property inspector, architect, engineer, contractor or repairmen to correct the problem or to examine, investigate, or advise the Association or any Owner with respect to any suspected or reasonably inferable design defect, construction-related defect or other construction-related problem with the Property, Common Elements, the Limited Common Elements and any Unit, the Association and Unit Owner shall first notify Declarant and General Contractor of the alleged or suspected problem and shall first provide Declarant and General Contractor with a reasonable opportunity to inspect and repair the problem pursuant to the terms of Section 1 above. For the purposes of this Section, a minimum of sixty (60) days from first notice to Declarant or General Contractor shall be deemed a reasonable opportunity for Declarant and General Contractor to inspect and repair any alleged or suspected problem; provided, however, in certain circumstances, this period of time may be longer depending on the complexity of the condition and the length of time reasonably necessary to obtain parts and services from third parties as such additional time shall be communicated to the Association and Unit Owner by Declarant or General Contractor. After the above right to inspect and correct period elapses, the Association may bring an action against Declarant or General Contractor to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements only. Such action may be maintained by the Association only after doing the following, including, but not limited to, the following:

(a) The Association obtains the written approval of each Unit Owner whose interest in the Common Elements or Limited Common Elements will be the subject of the action;

(b) The Association obtains the affirmative vote of the Unit Owners to which at least sixty-seven percent (67%) of the votes of the members of the Association are allocated;

(c) The full Board of Directors and, as applicable, the General Contractor and Declarant have met in person and conferred in a good faith attempt to resolve the Association's Claim or the General Contractor and/or Declarant has definitively declined or ignored the requests to meet with the Board of Directors.

(d) At least three business days in advance of any vote to commence an action by the Association to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements, the attorney representing the Association shall provide to each Unit Owner a written statement that includes, in reasonable detail:

- (i) The defects and damages or injuries to the affected Common Elements or Limited Common Elements;
 - (ii) The cause of the defects, if the cause is known;
 - (iii) The nature and the extent that is known of the damage or injury resulting from the defects;
 - (iv) The location of each defect within the affected Common Elements or Limited Common Elements, if known;
 - (v) A reasonable estimate of the cost of the action or mediation, including reasonable attorneys' fees and costs, expert fees, and the costs of testing; and
 - (vi) All disclosures that the Unit Owner is required to make upon the sale of the Unit.
- (e) The Association or an attorney for the Association shall not employ a person to perform destructive tests to determine any damage or injury to a Unit, Common Element, or Limited Common Element caused by a construction defect unless:
- (i) The person is licensed as a contractor pursuant to law;
 - (ii) The Association has obtained the prior written approval of each Unit Owner whose Master 'Unit or interest in the Common Element or Limited Common Element will be affected by such testing;
 - (iii) The person performing the tests has provided a written schedule for repairs;
 - (iv) The person performing the tests is required to repair all damage resulting from such tests in accordance with state laws and local ordinances relating thereto;
 - (v) The Association or the person so employed obtains all permits required to conduct such tests and to repair any damage resulting from such tests; and
 - (vi) Reasonable prior notice and opportunity to observe the tests is given to Declarant, General Contractor and any other party against whom an action may be brought as a result of the tests.
- (f) The Association may commence an action only upon a vote or written agreement of the Unit Owners to which at least sixty-seven percent (67%) of the votes of the members of the Association are allocated. In such a case, and at least 21 calendar days before the meeting, the Association shall provide written notice to the Unit Owner of each Unit of the meeting at which the commencement of an action is to be considered or action is to be taken.

(g) The Association may, without giving notice to the Unit Owners, employ a contractor and such other persons as are necessary to make such immediate repairs to a Unit or Common Element as are required to protect the health, safety, and welfare of the Unit Owners and Occupants.

(h) Similarly, prior to any Unit Owner(s) bringing any Claim against the Declarant or General Contractor, the affected Unit Owner(s) shall first notify the Association of their intent to do so, shall meet with the Association's Board of Directors to discuss the nature and merit of their Claim and whether such Claim concerns the Common Elements, and shall provide the Association with at least sixty (60) days (if requested by the Board) to obtain the consent of the Unit Owners for the Association to join-in such Claim against the Declarant or General Contractor with respect any affected Common Elements only.

Section 2. Notice. After first complying with the terms and conditions set forth above in Section 2.1, if the Association and/or a Unit Owner(s) (singularly or collectively as the context requires, the "Claimant") desires to pursue a legal claim of any nature whatsoever against General Contractor and/or Declarant (singularly or collectively as the context requires, the "Respondent"), then the Claimant shall, no later than ninety (90) days before initiating an action against Respondent, provide service of written notice of claim on Respondent (the "Notice of Claim"). The Notice of Claim shall state that the Claimant asserts a construction defect claim. The Notice of Claim shall describe the claim or claims in detail sufficient to explain the nature of the alleged construction defects and the results of the defects. In addition, the claimant shall provide to the General Contractor or Declarant any evidence that depicts the nature and cause of the construction defect, including expert reports, photographs, and videotapes, if that evidence otherwise would be discoverable under evidentiary rules.

(a) For purposes of clarification of the above terms and conditions, a Unit Owner may file a Claim against Respondent for problems or deficiencies with his or her Unit only; a Unit Owner may not file a Claim against Respondent for problems or deficiencies with the Common Elements as all Unit Owners covenant and agree that all such Claim rights are exclusively those of the Association. The Association only may file Claims against Respondent for problems or deficiencies with the Common Elements or for problems and deficiencies affecting more than 10% of all Units in the Property and, in such case, all Unit Owners covenant and agree that the Association shall serve in a representative capacity on behalf of all such affected Unit Owners should the Association elect to do so.

Section 3. Negotiation and Mediation. If the parties do not resolve the Claim amongst themselves in accordance with the notice and opportunity to cure provisions set forth above ("Termination of Negotiations"), then Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of an independent, mutually acceptable agency providing dispute resolution services in the Metropolitan Nashville, Tennessee area.

(a) If Claimant does not submit the Claim to mediation within such time period, or does not appear for the mediation, Claimant shall be deemed to have absolutely, unconditionally and forever waived the Claim, and Declarant and General Contractor shall be released and discharged from any and all liability whatsoever to Claimant on account of such Claim.

(b) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the parties. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such additional time as determined by the mediator, the mediator shall issue to all parties a written notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the parties are at an impasse and the date that such mediation was terminated.

(c) Within five (5) days of the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to Respondent, and Respondent shall make a final written settlement offer ("Settlement Offer") to Claimant. If Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If Respondent fails to make a Settlement Offer, they shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

Section 4. Final and Binding Arbitration. If the parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, then the Claimant shall have fifteen (15) additional days thereafter (i.e., thirty (30) days from the date of Termination of Mediation) to submit the Claim to arbitration before the American Arbitration Association pursuant to the Construction Industry Arbitration Rules of the American Arbitration Association.

(a) If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, then the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability whatsoever to Claimant arising out of such Claim.

(b) This Subsection 4 is an agreement to arbitrate and is specifically enforceable under the Federal Arbitration Act, 9 U.S.C. § 2. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it to the fullest extent permitted under the laws of the State of Tennessee.

Section 5. Allocation of Costs of Resolving Claims. Each party (regardless of the outcome of the arbitration proceeding) shall bear its own costs, including attorneys' fees, arbitration filing fees and arbitration case service fees. The parties shall share equally in all arbitrator compensation and expenses and compensation of the mediator and mediation service. Under no circumstances whatsoever shall one party be entitled to receive reimbursement from the other party for the above described costs, expenses and fees, including but not limited to attorneys' fees.

Section 6. Enforcement of Resolution. After resolution of any Claim, if any party fails to abide by the terms of any settlement agreement or Award, then any other party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth above. In such event, the party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties jointly and severally) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

Section 7. General Contractor Beneficiary. General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without General Contractor's prior written consent. THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DECLARANT AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DECLARANT AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW. Declarant and General Contractor may seek enforcement of the rights afforded to it under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Declaration or any other instrument

ARTICLE XVI SPECIAL FNMA/FHLMC PROVISION

- (c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Units and of the Common Elements (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

Section 3. No Priority. Section 4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Section 5. Amendment by Board. Should the Federal National Mortgage Association, the Federal Housing Administration, the Veterans Administration, or Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 6. Applicability of Article XVI. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under this Declaration, Bylaws, or Tennessee law for any of the acts set out in this Article.

Section 7. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

ASSOCIATION BYLAWS

BYLAWS OF

PORTER VILLAGE OWNERS ASSOCIATION, INC.

ARTICLE I
MEMBERS

Section 1. **Identity.**

(a) These are the Bylaws of PORTER VILLAGE OWNERS ASSOCIATION, INC. (the “Association”), a not for profit corporation, incorporated under the laws of the Tennessee Nonprofit Corporation Act.

(b) The Association has been organized for the purpose of serving as the property owners association for the mixed-use development known as PORTER VILLAGE, in accordance with the Declaration of Covenants, Conditions, and Restrictions for Porter Village, a Horizontal Property Regime With Private Elements dated December 29, 2015, and filed of record in the Register’s Office for Davidson County, Tennessee (as the same may be modified, amended or restated, the “Declaration”). All capitalized terms not otherwise defined herein shall have the meanings set forth in the Declaration.

Section 2. **Members.** Every Owner shall be deemed to have a membership in the Association. “Owner” shall mean and refer to the Person or entity, including Declarant, who holds the record title to any Unit that is part of the Property, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Unit is sold under a recorded contract of sale and the contract specifically so provides, then the purchaser (rather than the fee owner) will be the Owner. For purposes of these Bylaws, “Member” shall mean the individual Owner or, if there are multiple persons or entities who are Owners of a Unit, the representative of such Owners.

Section 3. **Succession.** The membership of each Member shall terminate when such Member ceases to be an Owner, and upon the sale, transfer or other disposition of such Member’s ownership interest in a Unit, membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

Section 4. **Regular Meetings.** The first regular annual meeting of Members (the “First Meeting”), subject to the terms hereof, shall be held on a date to be established by Declarant in the calendar year following the year in which the first Unit has been sold. Subsequent to the First Meeting, there shall be a regular annual meeting of Members within thirty (30) days before or after each anniversary of the First Meeting. All such meetings of Members shall be held at a location in Davidson County, Tennessee, and at such time as

specified in the written notice of such meeting which shall be sent to all Members at least ten (10) days prior to the date of such meeting.

Section 5. Special Meetings. Special meetings of all Members may be called by the President or by a majority of the Members of the Board, or by Members having at least fifteen percent (15%) of the votes entitled to be cast at such meeting. Said special meetings shall be called by sending written notice to all Members not less than ten (10) days prior to the date of said meeting, stating the date, time and place of said special meeting and the matters to be considered.

Section 6. Voting. The voting rights of each Unit shall be as set forth on Exhibit D to this Declaration; provided, however, that such voting rights are based on a percentage of the total square footage within each Unit divided by the total square footage in all developed Units as of the date of any vote to be taken, in each case as set forth on this Declaration or a Supplemental Declaration. As further developments or phases of the Development are subjected to this Declaration by Supplemental Declaration, the relative voting rights of each Unit Owner shall be accordingly adjusted, and it is anticipated that the relative voting rights of Unit Owners will decrease as additional Units are developed. Further, the Retail Unit Owners shall at all times from after the creation of Retail Units have no less than ten percent (10%) of the total voting rights, and the Common Maintenance Unit Owners shall have the remaining ninety percent (90%) percent of total voting rights. All voting rights of each Unit must be voted as a single vote.

(a) In the event the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. A Member or the Member's spouse, subject to the provisions of the Declaration and the Bylaws, may exercise the rights and privileges of membership.

(b) The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated by the Owner in a written instrument provided to the Secretary, subject to the provisions of the Declaration and the Bylaws.

(c) In any situation in which more than one (1) Person holds the interest in a Unit required for membership, the vote for such Unit shall be exercised as those Persons determine among themselves and advise the Secretary of the Association in writing prior to any meeting. In the absence of such advice, the Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

Section 7. Voting by Proxy. Voting by written proxy in form and substance as approved by the Secretary of the Board is allowed on any matter.

Section 8. Quorum. Except as otherwise expressly provided in the Declaration or these Bylaws, a quorum of Members for any meeting shall be constituted by Members represented in person or by proxy and holding at least ten percent (10%) of the votes entitled to be cast at such meeting.

Section 9. Notice, Voting and Attendance by Electronic Means. Any notice to the Members required to be sent or given by the Bylaws shall be deemed to have been sent if such notice is in writing and is delivered to each Member by hand delivery, overnight courier or other

form of wire or wireless communication or if sent by U.S. Mail, postage prepaid or by e-mail, to the address provided in writing from time to time by such Member to the Association. If no address is provided, notice to the address of the Unit shall suffice. Unless limited by applicable law, and notwithstanding the foregoing, the Board of Directors may establish rules and procedures from time to time that permit notices of meetings and other matters, the delivery of proxies, and voting by electronic means; provided, however, that such rules and procedures shall in each case (a) provide reasonable safeguards to authenticate electronic means of communication; (b) permit a Member to opt out of electronic procedures by an affirmative choice, in which case the foregoing rules for delivery of notices, proxies and voting shall control with regard to such Member; (c) provide that matters on which electronic votes have been cast may not be amended, unless such amendment is also submitted for vote by electronic and other means; and (d) provide that in the event a Member is physically present at a meeting called for the purpose of voting on an item, the Member may override or withdraw any electronic vote previously cast for the item.

ARTICLE II BOARD OF DIRECTORS

Section 1. Number, Election and Term of Office. The Association shall be governed by a Board of Directors (the "Board") composed of no less than three (3) and no more than five (5) individuals (the "Directors" and each a "Director") appointed or elected as provided in these Bylaws, except that the Interim Board (as defined below) shall be composed of three (3) individuals. Prior to the First Meeting, the Board shall be an interim board composed of those individuals named in the Charter of this Association (the "Interim Board"). The Interim Board shall have and shall exercise all powers and obligations given to the Board by these Bylaws. At the First Meeting and at each annual meeting thereafter, Directors shall be appointed or elected as follows:

(a) Until the earlier of (i) one hundred twenty (120) days after conveyance of seventy-five percent (75%) of the total Units that may be created in the Development to Unit Owners other than Declarant after completion of all Phases; or (ii) fifteen (15) years after the conveyance of the first Unit to a purchaser other than the Declarant (the "Declarant Control Period"), the Declarant may appoint and remove the officers and members of the Board.

(b) Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of the Declarant Control Period, but in that event the Declarant may require, for the duration of the Declarant Control Period, that specified actions of the Association or Board, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

(c) Not later than one hundred twenty (120) days after conveyance of twenty-five percent (25%) of the Units that may be created in the Development to Unit Owners other than Declarant, at least one (1) member of the Board must be elected by Unit Owners other than Declarant.

(d) Not later than the termination of the Declarant Control Period, the Unit Owners shall elect a Board of Directors of at least three (3) members, with maximum of

five (5) members. The Owners of the Retail Units shall select one (1) Director, the Owners of the Flats shall select one (1) Director, and the Owners of the Townhome Parcels shall select one (1) Director. Any remaining Directors shall be elected by all Unit Owners in accordance with their percentage voting rights. After the termination of the Declarant Control Period, all Directors shall be Unit Owners. The Board shall elect the officers. The Board and officers shall take office upon election. At the initial election of Directors by Unit Owners, the terms of such Directors shall be set so that the terms of all Directors do not end on the same year.

(e) Notwithstanding any provision of the Declaration or Bylaws to the contrary, the Unit Owners, by a two-thirds (2/3) vote of all voting rights held by Owners present and entitled to vote at any meeting of the Unit Owners at which a quorum is present, may remove any of the Directors with or without cause, other than a member appointed by the Declarant.

Section 2. Term. Each Director shall be elected by majority vote by the Members to serve a one year term, except at the initial election two-year terms may be used in order to have staggered terms of Directors. Voting by proxy is allowed. Any Director so appointed or elected may be appointed or elected to subsequent terms as a Director; provided, however, that no Director may serve more than four (4) consecutive terms.

Section 3. Qualification. If a Director who is a Member shall cease to be a Member during that Director's term, he or she shall thereupon cease to be a Director and the position on the Board shall be deemed vacant.

Section 4. Vacancies. Any vacancy occurring in the Board shall be filled by majority vote of the remaining Directors, subject to Section 1(d) of this Article; except that the Members shall elect a Director whose position has been vacated as the result of a removal of a sitting Director by the Members. Any Director so elected to fill a vacancy shall hold office for the remainder of the unexpired term.

Section 5. Meetings. A regular annual meeting of the Board shall be held not less than ten (10) days following the regular annual meeting of Members. Other meetings of the Board shall be held upon a call by the President or by a majority of the Board, or by request of not less than ten percent (10%) of the Members, on not less than forty-eight (48) hours' notice in writing to each Director, delivered by hand delivery, overnight courier, mail, e-mail, telegram or facsimile transmission or another form of wire or wireless communication. Any Director may waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action proposed to be taken by the Board without a meeting. A Director's attendance at a meeting shall constitute his or her waiver of notice of said meeting.

Section 6. Compensation. Directors shall receive no compensation for their services as Directors, unless expressly provided for in resolutions duly adopted separately by the Members.

Section 7. Quorum. The presence of three (3) Directors shall constitute a quorum.

- (m) unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority of the Members, as expressed in a resolution duly adopted at any annual or special meeting of the Members.

Section 9. Delegation.

(a) Nothing in this Article or elsewhere in these Bylaws shall be considered to grant to the Board, the Association or to the Officers of the Association any powers or duties which, by law, have been delegated to the Members.

(b) The powers of the Board may be delegated to any person or entity or to a managing agent of the Association by written delegation or authority.

Section 10. Nature of Board Meetings. Board meetings are meetings of the Board of Directors. Members do not have a right to speak or to present matters at any Board meeting; provided, however, that the Board may establish an agenda item consisting of a period for Members to present matters for the Board (an "Open Period"). Matters submitted to the Board during the Open Period shall not be discussed or acted upon by the Board at that meeting unless the Board by majority vote adds the item to the agenda for the meeting. Members shall have a right to attend Board meetings, subject to capacity and occupancy levels of the meeting venue; provided, however, that the Board shall have the right to close the meeting to the Members if the Board desires to discuss matters involving specific Members, including without limitation enforcement actions; matters potentially involving litigation; or other matters, on approval of a majority of the Directors present.

ARTICLE III

Section 3. Term of Office. Each Officer shall hold office for the term of one (1) year and until the successor shall have been appointed or elected and qualified.

Section 4. Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of Board at a regular or special meeting of said Board. Any officer so elected to fill

a vacancy shall hold office for the remaining unexpired term. Any Officer may be removed for cause at any time by vote of three-fifths (3/5) of the total Directors at a special meeting thereof.

Section 5. Compensation. The Officers shall receive no compensation for their services as Officers.

ARTICLE IV ASSESSMENTS

Section 1. Annual Budget. The Board shall cause to be prepared, at least sixty (60) days before the beginning of the fiscal year and thirty (30) days prior to the meeting at which the budget shall be presented to the Members, a budget covering the estimated costs of operating the Association during the coming fiscal year (the "Operating Budget"), together with a budget that shall take into account the number and nature of replaceable assets of the Association, the expected life of each asset, and the expected repair or replacement cost of each asset for the coming fiscal year (the "Capital Budget"), said fiscal year to be determined by the Board. The Operating Budget and the Capital Budget shall be collectively referenced as the "Budget." The Operating Budget shall include a capital contribution establishing a reserve fund in accordance with the Capital Budget. The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association as shown on the Capital Budget, with respect both to the amount and timing of Assessments over the period of the Budget. To the extent that the assessments and other cash income collected from the Members during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account in preparing the new Budget.

Section 2. The Board shall cause a copy of the Budget, and the amount of each General Assessment, Common Maintenance Assessment and Special Assessment to be levied against each Unit for the following year, to be delivered to each Member at least ten (10) days prior to each annual meeting. The Board shall set Assessments based on the Operating Budget and the Capital Budget. The Budget shall become effective unless disapproved at the meeting by a majority vote of the total voting rights of all Owners. In the event the Members disapprove the proposed Budget or the Board fails for any reason to determine the Budget for the succeeding year, then and until such time as a Budget shall have been determined as provided herein, the Budget in effect for the then current year shall continue for the succeeding year(s). Each Owner shall pay the Assessment relating to such Owner's Units on or before the first day of each applicable period as established by the Board from time to time. Payments shall be made to the Association or as may be otherwise directed by the Board.

Section 3. Assessments. The Board may impose and collect Assessments as set forth in the Declaration.

Section 4. Partial Year or Month. For the first fiscal year and thereafter until the First Board is elected, the annual budget shall be approved by the Interim Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly or quarterly or annual assessments for each Member shall be proportionate to the number of months and days in such period covered by such budget.

Section 5. Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Member a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 6. Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the Assessments, determined in accordance with the Budget for such year, are insufficient or inadequate to cover the estimated expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Member, and thereupon a supplemental assessment shall be made to each Member for his proportionate share of such supplemental budget.

Section 7. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures of the Association, specifying and itemizing the Common Expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

ARTICLE V AMENDMENTS

During the Declarant Control Period, these Bylaws may be amended by the Declarant, and thereafter by an affirmative vote of at least sixty-seven percent (67%) of the Members, subject to the limitations on amendments without the consent of the Mortgagees or Declarant under the Declaration. Any amendment shall not become effective until recorded in the Register's Office for Davidson County, Tennessee.
